NEW BUSINESS PACKAGE:

There's nothing easy about founding a startup. But that doesn't mean the legal aspects should slow you down. This package is well suited for the solo entrepreneur or multiple shareholders looking to get things off on the right foot.

<u>Startup Package – More than 1 Shareholder / Director</u>	
When founding a startup with multiple people, you've got a lot to think about. In addition to making decisions on money and voting, you have to consider a lot of legal issues about what the company should do when things don't go as planned.	
Consultation (optional) - In-person advice regarding starting a high-growth potential business, voting rights, operations, adding new members in the future, liability issues, opening a bank account, dealing with intellectual property, using contracts with clients and contractors, and raising money.	R1950
Company Name Reservation CIPC	R1000
Company Registration with CIPC	R2500
Long Form Memorandum of Incorporation - Incorporating the client's needs as determined in the consultation.	R8500
Non-Disclosure Agreement (optional) - Your confidential information is important and you need to protect it.	R3500

PLEASE NOTE:

- ** Prices are based on our standard rates only and are subject to changes depending on your specific requirements.
- ** The client is able to select any of the above services individually and is not obliged to select the entire package.
